BANG Consortium Pty Ltd

Book Bag “ natural only

\$20.00

Our groovy new naturally biodegradable jute satchel with large internal pocket can be used as a school library bag for younger ones, book bag for older kids or messenger bag if you’re too cool for school. Perfect for events and conferences as well as kids, it secures with a Velcro strip and can be branded with your business, event or educational message or logo. Order one now, or talk to us about putting your logo onto our bags and showing your clients how you support fair trade in your business.
